

# **GAS WATCH 267.**

## **A BIG PARTY TO CELEBRATE “FAREWELL AGL”**

**Saturday night, 1st August, 2015 from 6 pm at the Broke community hall.**

**After over a decade of the winegrowing area of Broke Fordwich fighting tooth and nail to save it from AGL turning it into a methane gas field – we have won.**

**A “Farewell AGL party” will be held on Saturday night. Local wineries will be providing some wine, bring your own beer and soft drinks. Toast this historic win.**

**A buffet style BBQ will be held for a contribution, catered by Ben Sanger and Monkey Place Catering.**

**Entertainment by Paul Burton, hopefully the Boys from Broke, and Scott (Elvis) Crawford.**

The Hunter Community Consultative Committee held its final meeting this week and; AGL confirmed that it had sold back the PELs for the Hunter; that AGL will sell all its properties in the Hunter; it appears that most of the Gas Hunter AGL staff have been retrenched; that the Chair of the CCC will advise the Minister of the wind up of the CCC.

**Hope you all are attending the Broke Hall party on Saturday evening, see you there .... Let the Secretary of the Broke Fordwich Wine & Tourism Association know if you're coming, just for catering -**
